Barrington^{est. 1865}

April 2004

Village Development Updates

Dunkin' Donuts

108 South Northwest Highway

The Board of Trustees approved a project for the remodeling of the existing building in March 2004. A new Baskin Robbins franchise will be added to the building. The remodeling should be completed in the summer of 2004.

Wamberg Development

700 West Main Street

The Board of Trustees approved an intergovern-

mental agreement and a jurisdictional boundary agreement with the Village of Barrington Hills and the Wamberg Family Limited Partnership as the first part of the proposed Wamberg office development in February 2004. The proposal calls for a maximum build-out of 270,000 square feet of office space and associated traffic improvements and conservation areas in the Village of Barrington and the Village of Barrington Hills. The approval process for the project should be completed in April 2004.

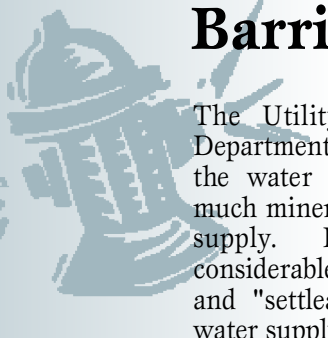

Proposed Clark Consulting building, as part of the Wamberg Development

Historic Preservation District

Historic District Reminder - The Historic Preservation Overlay District was adopted in March of 2001 as part of the comprehensive amendment to the Barrington Zoning Ordinance. Since the adoption of the ordinance the Architectural Review Commission has reviewed over forty historic district petitions and held corresponding Public Hearings for neighborhood feedback. The ordinance, however, is still very new and longtime residents as

well as new residents have many questions about the historic regulations. The Department of Building & Planning administers the Historic District regulations and serves as the staff liaison to the Architectural Review Commission. If you have any questions regarding the Historic Preservation District, please contact Jeff O'Brien, Planner, at 847-304-3460 or email at jeffobrien@ci.barrington.il.us.

Barrington Hydrant Flushing Program

The Utility Division of the Public Works Department conducts a semi-annual flushing of the water distribution system to eliminate as much mineral content as possible from the water supply. Fire hydrant flushing removes a considerable amount of the loose mineral contents and "settleable" solids that accumulate in the water supply system.

Fire hydrant flushing operations are conducted during the evening hours between 10:30 p.m. and 7:00 a.m. in order to eliminate some inconveniences such as potential low water pressure and discolored water. Customers may still experience a short period of discoloration during flushing and shortly after. Though water may be discolored, it is safe to drink. However, until the water runs clear, it is advisable to avoid washing clothes, especially white fabrics.

Flushing will be addressed during a two-week period from Sunday, April 18, 2004 through Friday, April 30, 2004 weather permitting. The schedule is as follows:

Spring Hydrant Flushing Schedule

AREA I

Northwest Highway south to Hillside Avenue.
Northwest Highway west to Lageschulte Street
Sunday, 4/18, from 10:30 p.m. to Monday, 4/19, 7:00 a.m.;

AREA VI

North Fox Point, Tall Trees, Wyngate and Sanctuary of Inverness Subdivisions.
Thursday, 4/29, from 10:30 p.m. to Friday, 4/30, 7:00 a.m.

West Nile Virus

With Mosquito season arriving soon, the Village believes that the only sure protection against West Nile Virus (WNV) is one's own self protection. The following is a list of things you can do to prevent mosquito bites:

- Prevent mosquito breeding by removing sources of standing water (Check your gutters after rain events to ensure the water is not stagnating in them)

- If possible, limit outdoor activity at dusk
- Wear light-colored clothing that minimizes exposed skin
- Use mosquito repellents (children should use repellents containing 10 % DEET; adults 50 % DEET)

For more information regarding this topic, contact the N. M. A. D. at 847-537-2306 or Lake County Health Department and Community Health Center - Animal Control Division at 847-949-9925 or www.co.lake.il.us/health/ehs/westnile.asp or call Cook County Health, 708-492-2000.

Hazardous Waste Pick-up

SWANCC Household Hazardous
Collection Event Sponsored by the

Kane County Fairground
2N710 Randall Road
- MAY 22: Mt. Prospect, Cook Co
Mt. Prospect Public Works
1700 West Central Road
- JUNE 12: Norridge, Cook Co
Ridgewood High School
7500 West Montrose

LATEX PAINT WILL NOT BE ACCEPTED AT ANY OF THESE EVENTS

The following materials are typical household chemical wastes that are usually included in a one-day HCW drop-off event. To help you determine if something is a household chemical waste, look for the words “danger” “toxic” “flammable” “corrosive” and/or “reactive” somewhere on the products packaging.

MATERIALS ACCEPTED:

Oil based paint, solvents, old prescriptions, used motor oil, household cleaners, household batteries (alkaline & rechargeable), antifreeze, garden/lawn chemicals, pool chemicals, asbestos, old gasoline, fungicides, insecticides, pesticides, metal polishes, paint remover, driveway sealer, drain cleaner, aerosol products, hobby chemicals, mercury (including thermometers & thermostats).

MATERIALS NOT ACCEPTED:

Business or institutional wastes, explosives or ammunition, fire extinguishers, lead-acid batteries, tires, latex paint, agricultural chemicals, fireworks, propane tanks, smoke detectors and medical waste.

Tires & lead acid batteries (auto & boat batteries) can be recycled at any retail outlet that sells them. Residents can call SWALCO at 847-336-9340 for further information on the HCW collection events call Barrington Public Works at 847-381-7903.

Village Vision

The Vision of Barrington is to preserve and promote its unique small town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

The Community is committed to preserving the quality of its neighborhoods, the quality of education, and the diversity of leisure time activities. The community is dedicated to fostering an easily-accessible center of activity for the Barrington area, maintaining a prosperous economic base, protecting its extensive natural resources and promoting public participation and communication.

HOT TIPS

TREE CITY AWARD - 18TH YEAR

The National Arbor Day Foundation has named Barrington a Tree City USA for the 18th year. To be recognized, a community must have the following: Tree Maintenance Department; Community Tree Ordinance; Annual forestry budget of a least \$2.00 per capita; Arbor Day Observance and Proclamation.

50/50 COST SHARE TREE PROGRAM

The Village will pay 50 % of the cost to plant a new 2" caliper tree in front of your home or business. There are a number of species available and all property owners are welcome to participate. The Village will be planting in fall only this year. For information, contact Public Works at 847-381-7903.

WOOD CHIPS & COMPOST

Available at Public Works, 300 North Raymond Avenue beginning April 1st.

Chipping Schedule

• **April 19, Mon. – North of Main Street** • **April 26, Mon. – South of Main Street**

Please have all material out to the curb by 7:00 a.m. on your designated Monday morning. The Chipper will make only one pass through your neighborhood. Branches may be up to 10" in diameter and at least 4' in length (the longer the better). Stack branches neatly, in a long low pile on the parkway, with the cut end facing the curb. Remember Public Works crews cannot pick up material on private property. The following items cannot be picked up: root balls & stumps; any building materials including lumber, metal, fencing; anything with nails, wire or bolts; any material placed in a box or garbage can; grass, leaves or material other than woody branch material.
